THE PRIZE COMPETITIONS AND PRIZES

30. The Winner and any Runner(s) Up for each Competition will be determined and awarded the relevant Competition Prize(s) so specified on the Website and on the App in accordance with these Terms and Conditions.
31. The Draw to determine the Winner and, where applicable, any Runner(s) Up will be made on the Sunday following the Competition Closing date. Where this is not possible, Entrants will be informed through notification on EliteSigz.uk, email, Facebook.com/Groups/SigzUK or a combination of all.
32. Unless otherwise specified in the description under a Competition, the Promoter will never extend the Closing Date for any Competition.

33. Unless otherwise specified in the description under a Competition, there is no Reserve Level and the Prize will always be given away on the following Sunday after the Competition Closing Date, except in circumstances of delay as described by section 31.
34. After a Competition's Closing Date, the Competition title will be updated to reflect the expected Draw date, as determined above (see term 31), and on that Competition's Draw Date:
 1. there will be a Draw to determine the Winner, and the Prize shall be awarded to the Winner;
 2. where the Competition provides for one or more Runner Up Prize(s), there will be a Draw or Draws to determine the Runner(s) up, who shall be awarded the associated Runner Up Prize(s).
35. If any Winner or Runner(s) Up cannot be contacted by the Promoter within 21 (twenty-one) days of being notified of their status as the Winner by e-mail and/or telephone outlined in the contact details submitted in their Entry, the Promoter shall be entitled to award their Prize to the Entrant next Drawn, with the effect that the first Runner Up (as applicable) would become the Winner, the second Runner Up (as applicable) would become the first Runner Up, and so on. At the Draw, there shall be such number of additional/reserve entries drawn but not actioned or disclosed until required to permit the operation of this alternate Winner / Runner Up arrangement. Any alternate Winner or Runner Up shall likewise comply with the above 21 (twenty-one) day contact requirement.
36. The Promoter shall take all reasonable steps to ensure and preserve the random nature of the Draw but shall not be required to comply with any particular regulatory or other standards in this respect. The Draw has historically been operated with the use of a True Random Number Generator provided by Random.org and through a random ticket selection, however the Promoter may operate the Draw in any reasonable way and may change the Draw process at any time. The result(s) of the Draw are final, and the Promoter shall not enter into any correspondence in relation to this.
37. In exceptional cases, such as where the Promoter is to award a particularly high-value Prize or suspects that these Terms and Conditions have not been adhered to, the Winner, and where applicable, any Runner(s) Up may be required to forward personal identification to the Promoter to prove their identity, that their Entry or Postal Entry was made in accordance with these Terms and Conditions, and that there is no lawful impediment (pursuant to any applicable UK or international law) to the Winner or any Runner(s) Up being awarded any Prize in the relevant Competition. In the event that the Promoter reasonably believes that there may be a lawful impediment to awarding a Prize to a Winner or any Runner(s) Up, the Promoter may suspend making such award until the legal issue is resolved or if, in the reasonable opinion of the Promoter such issue cannot be resolved, to award that Prize in a like manner as set out in term 35.
38. The Promoter does not in any way guarantee or give any warranties as to the value of the Prize, its condition, history or any other matters associated with the Prize, nor is any monetary or trade value associated with any prize.
39. The Promoter reserves the right to remove a Competition from the Website or App at any time, and in the rare event that this occurs, will refund all the Entries and Postal Entries to that Competition to the Registered User's EliteSigz.uk My Quigz virtual token wallet.

CHARITABLE CONTRIBUTIONS

40. The Promoter will donate 10% (ten percent) of any profits to the Partnered Charity selected for the preceding month. Where possible, such donations will be made on a Monthly basis but, at the discretion of the Promoter, may be reserved until the end of a given Tax Period as determined by our Accountant, and distributed accordingly in line with all necessary regulations.

ANNOUNCEMENT OF WINNERS AND ANY RUNNER(S) UP

41. The Promoter has the right to announce and publish any of the information outlined in term 8(c) pertaining to any Competition's Winner and Runner(s) Up on the Website and App and via email marketing campaigns, as well as on the Promoter's associated social media pages/sites, such as Facebook, Instagram and Twitter. Any Winner and Runner(s) Up shall cooperate with and participate in the Promoter's reasonable publicity requests. In the case of failure of the Winner or Runner Up to participate in the Promoter's reasonable publicity requests, such as obtaining a picture of the Winner or Runner Up with their Prize, the Promoter reserves the right to retake possession and ownership of the Prize, or recover the full cost of the prize.

LIMITATION OF LIABILITY

42. Insofar as is permitted by law, the Promoter, its agents or distributors will not in any circumstances be responsible or liable to compensate any Entrant or accept any liability for any loss, damage, personal injury or death occurring as a result of submitting an Entry or Postal Entry, or in relation to the use and enjoyment of a Prize by the Winner or Runner(s) Up gained through any Competition, except where death or personal injury is caused by the negligence or fraud of the Promoter, or that of their agents, distributors, or employees. The Winner's statutory rights are not affected.
43. The liability of the Promoter to each Entrant is limited to the aggregate value of the Entry Fees paid by that Entrant.
44. The Promoter accepts no liability for errors or omissions contained within the description of any Prize awarded as part of any of the Competitions on the Website or App, or the Prize Value, or any other description or specification or any other part of the Website or App. It is the responsibility of each Entrant (and in particular the Winner and any Runner(s) Up) to satisfy him/herself as to the accuracy of any such details and/or any content of the Website or App.

ADDITIONAL GENERAL CONDITIONS

45. The Promoter shall not be a trustee of any Entry Fees received, unless it is subject to a specific contractual agreement with a EliteSigz.uk Partner or Charity to act as such.
46. The Promoter reserves the right to suspend or cancel any Competition at any time, either before or after Entries and/or Postal Entries have been received. If a Competition is cancelled due to the Promoter's actions and specifically not those of the EliteSigz.uk Partner or any other entity associated to the Competition, the Promoter will return the Entry Fees paid by each Entrant to their EliteSigz.uk My Quigz virtual token wallet, and return the relevant Entry Fee for each Postal Entry made by each Entrant to their My Quigz virtual token wallet. Where all the Entry Fees have been returned, the Promoter shall have no further liability to the Entrant or to any other person.
47. Without prejudice to the operation of term 47, the Promoter reserves the right to cancel any Competition in the event that an order is made or a resolution is passed for the winding up of the Promoter, or an order is made for the appointment of an administrator to manage the affairs of the Promoter, or circumstances arise which entitle a court or creditor to appoint a receiver or manager or which entitle a court to make a winding up order, or the Promoter takes or suffers any analogous action in consequence of debt or an application to court for protection from its creditors is made by the Promoter.
48. The Promoter reserves the right to make reasonable amendments to these Terms and Conditions at any time, with immediate effect upon publishing such amendments on the Website and App. Any such amendments shall not prejudice any Entries or Postal Entries received prior to the time of such changes.
49. These Terms and Conditions shall not create or be construed as creating any form of contract, joint venture or other agreement between any Entrant and the Promoter.
50. All Competitions that the Promoter promotes, their administration and all associated activities shall be governed by the laws of England and Wales, and all parties submit to the exclusive jurisdiction of the courts of England and Wales.
